

Who needs to re-register with the local population register (Padrón) ?

Non-European Union foreign nationals who registered with the Padrón and don't hold a permanent residence permit.

What do you need to do ?

Go to your local council with your current identity document (foreign resident card or passport), and a proof of address if your address has changed.

Don't forget!

From now on you need to **renew** your Padrón registration every **2 years** after the original entry.

*If you don't re-register,
your registration will expire*
